

Have you been diagnosed with Mild to Moderate Ulcerative Colitis?

If you have been newly diagnosed or have been using medication to treat Ulcerative Colitis for years, you may be eligible to participate in a clinical trial using a 5-ASA oral tablet.

You may be eligible if you are:

- ❖ 18 - 75 years of age
- ❖ Currently on any form of 5-ASA
(*Asacol, Pentasa, Salofalk*)
- ❖ Displaying symptoms of Ulcerative Colitis
presently or have within the past 3 years
